**U.S. Probation Officer Action:**

This is the offender's first act of noncompliance. He was verbally admonished for his actions and informed that the Court would be notified of this noncompliance. Further, he was warned that any future positive urinalysis would result in increased sanctions and/or violation proceedings. If Your Honor approves, the probation office will increase urine monitoring for illicit drug use detection and requests that this document be used as an official judicial reprimand.

Respectfully submitted,
